BIRTHDAY BOOK PROGRAM  
HELEN TEMPLE COOKE LIBRARY**

Dear Fellow Parents,

We invite you to celebrate your daughter's birthday by participating in Dana Hall's Birthday Book Program. If you have contributed in the past, you know that your generosity has helped to enrich the Library's collection. If you have not participated in the past, please consider a donation this year. Your gift will not only add to our resources, but it will also establish a permanent commemoration of your daughter's birthday. Furthermore, the purchase of good books is a top priority as we continue to enjoy our beautiful facility.

The procedure is a simple one. Fill out the enclosed order card completely and return it (by April 30, 2009 if possible) with your check in the enclosed return envelope. The librarians will be happy to select the book for you, or you may choose a general subject area or title. If you specify a particular title, please provide several options, since that title may not be available or it may already be part of the collection. Your gift is tax deductible.

Upon receipt of your gift, the library will order the book and we will send a note to your daughter letting her know that a birthday book has been given in her honor. A special birthday book bookplate stating your daughter's name, her birthday and the donor's name will be placed on the front flyleaf of the book, and her name will also be included in the book's online catalog record. A selection of birthday books will be on display in the Library during the last few weeks of the school year.

The Library is a vital part of the education our daughters receive at Dana Hall. Since its inception in 1988, the Birthday Book Program has supported the Library with donations of over \$67,000 for the purchase of more than 2200 books. We look forward to your participation in this special Dana Hall tradition, and we wish your daughter a very happy birthday!

Sincerely,

*Liz, Terri, Isabel + Kazia*
